#### Section 1

Please specify the validation reference number of the validation application on which you are making this submission.

The reference number of the application can be found in the public notice or on the application register on the department's website.

This template can be used by interested parties for lodging a submission about a strategic cropping land (SCL) validation application made pursuant to s 56 of the *Strategic Cropping Act 2011 (Act)*.

To be accepted by the Chief Executive, a submission under the Act must be received within the submission period and include the information required by legislation (refer to s 56 of this Act). Using this submission form and following the instructions on the form will help to ensure your submission meets the relevant requirements.

#### Specific information requirements

##### IMPORTANT:

The submission must address one or more of the following:

- the zonal criteria relevant to the land;
- where the land is in a management area— the required cropping history.

Any information not relating to the zonal criteria or cropping history cannot be considered by the Department of Natural Resources and Mines when making a validation decision.
