## Stock or domestic allowance notification form

Water Act 2000

### Purpose of the form

This form is to be used by a holder of a metered authorisation to notify the department of the stock or domestic allowance claimed by the holder of the authorisation for the volume of water to be taken for stock or domestic purposes through a meter that is also used to take water under the metered authorisation that is administered by the department.

This notification, if accepted by the department, will continue until such time as the holder of a metered authorisation notifies the department of a change to their stock or domestic requirements or they cease to be the holder of the metered authorisation.

**Part D Stock and domestic requirements – calculation**

Calculate your annual stock and domestic requirements in cubic metres. Use the annual consumption figures\* as specified below.

\*If you need to use annual consumption figures greater than the figures as specified, provide details below.

Add your annual stock and domestic requirements (A+B) to calculate your total nominated annual stock and domestic requirements (Box C).

Convert this amount to megalitres (ML). Divide Box C by 1000. This will be your total stock and domestic allowance to be taken through a meter (Box D). Note: 1m<sup>3</sup> = 1000 litres

**Stock**

	Annual consumption (m <sup>3</sup> /head)	Stock numbers	Sub-total
Cattle and horses	20*		m <sup>3</sup>
Sheep and goats	4*		m <sup>3</sup>
Other (specify):			m <sup>3</sup>
Total annual stock water requirement:			m <sup>3</sup> <b>(A)</b>

**Domestic**

	Annual consumption (m <sup>3</sup> /household)	Number of households	Total annual domestic water requirements
Household and garden	5000*		m <sup>3</sup> <b>(B)</b>

**Nominated stock and domestic allowance**

Total nominated annual stock and domestic requirements (A+B) **(C)** / 1000 = **ML (D)**

D – total stock and domestic allowance to be taken through a meter (Conversion of m<sup>3</sup> to ML Box C/100).

**Annual consumption figures**

If you calculate your annual stock or domestic requirements using consumption figures greater than the figures as specified provide full details for this variation. (E.g. supporting documentation from peak body about animal consumption rates.) Attach additional supporting documentation to your application as required.

**Part E Applicant declaration**

All parties to complete and sign the declaration below.

If more signature space is required, copy or print a blank copy of this page, complete and attach.

I/We declare that the information in the notification is true and correct.
